## "Kill For Me"

Visit "[Kill For Me](#)" on [motolyrics.com](https://www.motolyrics.com)

you are coming for  
you're coming to  
you're killing for me  
realise  
the point is  
the pain comes  
the body fresh  
you're killing for me  
kill for me  
kill for me  
because  
life isn't fair  
because  
the chance  
with sight  
souls are searching for  
outside  
the pain can't be ignored  
all around  
lives on the  
the fight is yours  
terrorised cities lost  
your world  
with the permanent thoughts of hate  
with their lies  
die  
verse 1  
verse 2
