Killing for the sacred one
Find the words and go beyond
Search for the word to find
Just follow me and redefine

Redefine

This will be the constant fear
That goes beyond the life-dead trail
Falls into the searching light
Falls to the bottom of this blind

Kill for the sacred one
Find the words and go beyond
Search for the word to find
Just follow me and redefine

Redefine

This will be the constant fear
That goes beyond the life-dead trail
Falls into the searching light
Falls to the bottom of this blind

Finding the word
Please be the word
???
Wretched torture death dismay

Feed off the ones that go unto you
Finding the ones are sacred to you
Killing the souls and fighting the dead
We are the ones the coming of dread

The coming of dread
???

The temple which will do no good
The beast before will show you should
Search for the word to find
That penetrates the re-align

Redefine

This will be the constant fear
That goes beyond the life-dead trail
Falls into the searching light
Falls to the bottom of this blind

Search for the word to find
Just follow Me and redefine
