Your beautiful eyes
Is a beautiful sight (beautiful)
Your beautiful eyes
Such a beautiful sight (beautiful)

I know it's gonna take a lot of nerve
To go where I wanna go
I know it's gonna take a lot of nerve
More than you wanna know (oh yeah)

But today is not just any other day in the rest of my life
Cause tomorrow I'll be looking right into your beautiful
eyes

Your beautiful eyes
Is a beautiful sight (beautiful)
Your beautiful eyes
Such a beautiful sight (beautiful)

I've been traveling around
I've been taking my time
Now I know
That the longer the distance
The clearer the sight you have shown

So help me if I stumble,
If I crawl around as if I were blind
Tomorrow when I should be looking right into your
beautiful eyes

Your beautiful eyes
Is a beautiful sight (beautiful)
Your beautiful eyes
Such a beautiful sight (beautiful)

I know I had my doubts about
You and me and life
You know I had my doubts about myself
But I should go around the world to see
That where I really want to be
Is right here by your side

Yeah yeah yeaaaah

So help me if I stumble
If I crawl around as if I was blind
Tomorrow when I should be looking right into your
beautiful eyes

Your beautiful eyes
Is a beautiful sight (beautiful)
Your beautiful eyes
Such a beautiful sight (beautiful)

Your beautiful eyes
Is a beautiful sight (beautiful)
Your beautiful eyes
Such a beautiful sight (beautiful)
