You don't have to fear at all,
Don't you worry, 'cause I'll never call,
On your phone late at night,
'Cause I'm out of scene,
I'm out of sight.

Still like to know what's going on,
So call me when you're all alone,
We can do the things that lovers do.

I say:

Diamond rings and caviar,
Don't ever have to know where you are,
Secret trips and rendez-vous,
Just take me where the waters blue,
Around the world,
A mile high,
Prada, Gucci, DKNY,
Keep it hush hush,
It's just a fling.

Are you living happily?
Is it your foolish destiny? (aah auu)
To be a married lover man,
Will you ever understand?

What a woman really needs,
Is lovin' and security,
Is this the way it's gonna be?
Do you hear me?

Diamond rings and caviar,
Don't ever have to know where you are,
Secret trips and rendezvous,
Just take me where the waters blue,
Around the world,
A mile high,
Prada, Gucci, DKNY,
Keep it hush hush,
It's just a fling.

Keep it hush hush, it's just a fling
Keep it hush hush, it's just a fling
Keep it hush hush, it's just a fling
Keep it hush hush, it's just a fling

Diamond rings and caviar (caviar caviar)

Around the world, (world)
A mile high.

Around the world,
A mile high,
I'm out of sight,
DKNY

Around the world,
A mile high,
I'm out of sight,
DKNY (oouh)

Around the world, (Diamond rings and caviar)
A mile high,
I'm out of sight,
DKNY

Around the world, (Around the world, a mile high)
A mile high,
I'm out of sight,
DKNY

Diamond rings and caviar, (Around the world, a mile high)
Don't ever have to know where you are, (I'm out of sight)
Secret trips and rendezvous, (DKNY)
Just take me where the waters blue,
Around the world, (Around the world, a mile high)
A mile high,
Prada, Gucci, DKNY, (I'm out of sight DKNY)
Keep it hush hush,
It's just a fling.

Diamond rings and caviar, (Around the world, a mile high)
Don't ever have to know where you are, (I'm out of sight)
Secret trips and rendezvous, (DKNY)
Just take me where the waters blue,
Around the world, (Around the world, a mile high)
A mile high,

Prada, Gucci, DKNY, (I'm out of sight DKNY)
Keep it hush hush,
It's just a fling.

Keep it hush hush,
It's just a fling.
