Before I hit the ground...

Some assistance here is welcome  
I could of used it yesterday  
And through the years I've stumbled  
No longer see the light

I can weather the storm  
But can I tear down the walls  
Around me... ?

I wanna feel alive today  
I don't wanna waste my life away  
No  
Feels like I'm Falling  
I wanna push the fear away  
I don't wanna live my life this way  
No  
Feels like I'm Falling  
Falling down

Right before I hit the ground...

My newfound strength unyielding  
It battles back the pouring rain  
The ground beneath me crumbles  
No longer see the light

I can weather the storm  
But can I tear down the walls  
Around me

I wanna feel alive today  
I don't wanna waste my life away  
No  
Feels like I'm Falling  
I wanna push the fear away  
I don't wanna live my life this way  
No  
Feels like I'm Falling

I'm not looking for forgiveness (Nothing at all)  
I don't need your sympathy  
I've already lost it all

I wanna feel alive today  
I don't wanna waste my life away  
No  
Feels like I'm Falling  
I wanna push the fear away  
I don't wanna live my life this way  
No  
Feels like I'm Falling

Right before I hit the ground...

Feels like I'm Falling...
