You need me  
Your eternal flame  
(The forbidden flame)  
You need me

You feel me  
Under your skin  
You feel me  
Can you feel me now?

You are the Great Deceiver  
and I'm a Believer  
(The Hopeless one)  
The one and only  
You are a Great Deceiver  
a Bottle of Evil  
(The Hopeless one)  
The one and only

Get off of me  
you're gonna be the death of me  
unforgiving  
Great Deceiver

You fill me  
quench my every thirst  
You fill me

You feed me  
Feed the beast within  
You feed me  
Can you feed me now?

You are the Great Deceiver  
and I'm a Believer  
(The Hopeless one)  
The one and only  
You are a Great Deceiver  
a Bottle of Evil  
(The Hopeless one)  
The one and only

Get off of me  
you're gonna be the death of me  
unforgiving  
Great Deceiver
