"Miss You"

I've been crying for a long long time,
It doesn't seem, it's gonna stop right now,
Since you been gone, I've been wondering how,
Now and forever could be your last vow.

'Cause you left me standing alone in the rain,
Don't say it's true,
Don't say you'll never see me again.

'Cause I miss you,
It's hard to stay tough,
When I miss you,
The world is not enough,
'Cause I miss you,
Here in my arms,
Again.

It's hard to say the words "the love of my life"
But those eyes of yours
Showed me things I'd never seen before.
Said you love me, and you held me tight,
I can't believe it's not gonna happen anymore.

Now I stand here alone in the rain,
I cried your name again and again.

'Cause I miss you,
It's hard to stay tough,
When I miss you,
The world is not enough,
'Cause I miss you,
Here in my arms.

All I can give you is my body and soul,
I can make you warm if your heart is turning cold,
All I can do is try to make you believe,
That whenever I'm around all I'm offering is me.

Ooooh, yeah.

I need you in my arms, baby, (oh ooh)

I need you now,
I want you here to keep me warm, boy,
I want you here.

'Cause I miss you,
It's hard to stay tough,
When I miss you,
The world is not enough,
'Cause I miss you, (uuh uuh uuh)
Here in my arms.

'Cause I miss you,
It's hard to stay tough,
When I miss you,
The world is not enough,
'Cause I miss you,
Here in my arms,
Again.

Again and again.
Again. (uh uuh uh)

Again.

'Cause I miss you
