I've tried but I don't understand this  
The things that's been happening to us  
How can I let it wash away?  
Even after contradiction  
Your words are everything I'm thinking of  
How can I bring back yesterday?

'Cause it's winter but my heart is still in June (but my  
heart is in June)  
And I'm leaning on the memory of you  
I try to be free (try to be free)  
But that don't come easily

Is it much to late to say I'm sorry now? (much to late to  
say I'm sorry)  
'Cause love still lives in me without a doubt  
Is it much to late to say I'm sorry now?  
Can we still believe? (ooh)  
Is it much to late to say I'm sorry now?

No more empty conversations  
I need a difference it could be your love  
Please don't hesitate  
All our fears and complications  
Can be pushed away with us  
Let's not let it fade away

'Cause the memories of sunshine's gone away  
(sunshine's gone away)  
And these tears inside our heart are too afraid  
Tell me what should I say (what should I say?)  
To ever bring 'em back my way

Is it much to late to say I'm sorry now? (much to late to  
say I'm sorry)  
'Cause love still lives in me without a doubt  
Is it much to late to say I'm sorry now?  
Can we still believe? (ooh)  
Is it much to late to say I'm sorry now?

'Cause it's winter but my heart is still in June (but my

heart is in June)  
And all I have is the memory of you,  
I try to be free (Try to be free)  
(Try to be free)

Is it much to late to say I'm sorry now? (much to late to  
say I'm sorry)  
'Cause love still lives in me without a doubt (Without a  
doubt)  
Is it much to late to say I'm sorry now? (I'm sorry now)  
Can we still believe? (We still believe)  
Is it much to late to say I'm sorry now?

Is it much to late to say I'm sorry now? (much to late to  
say I'm sorry) (too late)  
'Cause love still lives in me without a doubt (Without a  
doubt)  
Is it much to late to say I'm sorry now? (I'm sorry now)  
Can we still believe? (yes I am)  
Is it much to late to say I'm sorry now?
