So she gonna shake

Her ass for that

(For the money)

Body up

Body down

Take her body down

Turn that ass around

Show me how move

Drop it low do it slow

Take it floor so seductive

Donâ€™™ t touch it

Body so perfect

Watch the way she work it

Cash start flying she move with a purpose

Watch the way she work it

Money is her motivator

Paper chasing vibrator

Watch her shake her money

Watch her move her moneymaker

She said her hips donâ€™™ t lie
And tonight she wanna ride
I wanna see some ass
So I throw a lilâ€™™ cash
Then she make it pop
Then I make it rain
20s, 100s, 100s, 20s
Her bodies speaking to me saying
Daddy comes get me
I love the way she move the way she slow grind
I gotta make her mine
She my private dancer dancing for that money
Watch her shake for meâ€™™
Watch her twerk for meâ€™™
Watch her bounce for meâ€™™
She make it pop on a handstand
And when the nights over I take her to crib
And we do it again then I beat it up and lay it out
The songs over amenâ€™™ â€¦
