Lights Flashing Bright, Lights Flashing Bright
Lights Flashing Bright, Lights Flashing Bright

You make me wait, there's no escaping you
All of my dreams, they never can come true
Beneath the stone, our lives unknown
The stories told, the ancient grows

Broken down and torn apart
You can mend my world my heart
I will always seek
My true love to set me free

Chorus

Emergency, Taking over me
Emergency, come and heal me please (Repeat)

*Lights Flashing Bright, Lights Flashing Bright
Lights Flashing Bright, Lights Flashing Bright

Broken down and torn apart
You can mend my world my heart
I will always seek
My true love to set me free

Love is not a game, You and I can play
Love and fear embrace, Filling in the space
You and I are bound, Like the speed of sound
Time is not your friend, Will this story end

Come and rescue me

Love is not a game, you and I can play
Love and fear embrace, filling in the space
