South Beach Free

VERSE 1

Music sounding all around me
My ears can't stop ringing
Elevated, cultured blender
Are we we we
Moving with the tide, sparkle in our eyes
Party through the night, I know I was
Born for the city (3x)

CHORUS

On South Beach, I'm clubbing
I'm climbing, to ecstasy
I'm staring, at nothing
Unwinding, a feeling that we're free

VERSE 2

Heavy breathing, overcomes me
My heart won't stop beating
Cultivated, fashioned splendor
Are we we we
Moving with the tide, sparkle in our eyes
Party through the night, I know I was
Born for the city (3x)

CHORUS

On South Beach, I'm clubbing
I'm climbing, to ecstasy
I'm staring, at nothing
Unwinding, a feeling that we're free

BRIDGE

Picture this city life to die for
Ocean breeze sailing in the wind
Picture this leisure life, the dance floor
South Beach South Beach Free

CHORUS (2x)

On South Beach, I'm clubbing
I'm climbing, to ecstasy
I'm staring, at nothing
Unwinding, a feeling that we're free
