

Fades Away

"All Things"

Visit "[All Things](#)" on MotoLyrics.com

The hidden rooms inside the heart, that keep the
things I've broken
The Silence of a guilty soul that leaves our fears
unspoken
You are no stranger here, so You hold them

All things, all things are in Your hands, bright and
beautiful
Wise and wonderful, all things are in Your hands

The longing in an orphan's smile, the beauty of the
beggar's reach
The road You paved with blood and tears is where You
are calling us to be
There are no strangers here, Father show us

No life, no death could keep You away, could keep You
away
No light, no depth could keep You away, could keep
You away
No sin, no pain could keep You away, You away
No doubt, no shame could keep us away from Love
