How can I face this monster?
He's looking right through me again
Caught in the midst of the fire.
Don't even try to pretend
That there's even a single shred of hope left for me
This pathetic excuse of a plan
Will right my ending.

Do I look like your hero
Hiding alone in the shadows?
If you're looking for some sort of strength
I'm afraid you're mistaken.

Taking my last step forward
I stand with my eyes to the ground
Blood thirsty vultures surround us
All I can hear is the sound
Of my heartbeat awaiting the ending
Why did they choose me?
Did the great ones all stand at the ledge
And beg for mercy?

Do I look like your hero
Hiding alone in the shadows?
If you're looking for some sort of strength
I'm afraid you're mistaken.

I close my eyes,
Look deep inside.
We won't stand down
This time

Right now (we'll stand)
Right now
Right now (we'll stand)
Right now
Right now (we'll stand)
Right now (we'll stand)
Right now (we'll stand)
Right now

Do we look like your heroes
Hiding alone in the shadows?
If you're looking for some sort of strength
I'm afraid you're mistaken.

Do I look like your hero
Hiding alone in the shadows? (Is there anybody
listening)?
If you're looking for some sort of strength
I'm afraid you're mistaken.
