Let Your water rise, till we are drowning here in You
Capsize in the ride of grace
So let Your spirit soar, like a banner over us
Please God of love come into this place

Draw us close, closer than before, there is nothing else
we want more

Just to see Your face, and to feel Your embrace
Wrap us with Your love and mercy, come fill us we are
so thirsty
For Your touch, God we need You so much, let Your
glory fall like rain
Till we are washed, washed away in You, Jesus, I'm
washed away in You

So let Your music play, we wanna dance with You
There is nothing like Your song over us
To we Your children sing, we join the melody
And with all of heaven we cry out

You are holy Lord God Almighty, we are desperate, we
are so hungry

Holy, Holy, Lord God Almighty, You were, You are and
You are to come
Holy, Holy, Lord God Almighty, You were, You are and
You are to come
