"You Are Jesus"

It doesn't matter who I was
It doesn't matter where I have been
Your grace is all I'm chasing

Doesn't matter when I wake
Doesn't matter when I sleep
Your arms are open for me

I am complete cause You said I could breathe
I am made clean and to You I will sing
You are Jesus, You are Jesus, You are everything I need
You are holy, I am dirty, in You I am made clean
You are Jesus

You get my brain when it's moving backward
You hear my voice when I'm screaming
You felt my pain so long ago
You paid it all just for me
