Hold on tight
We're heading thru a landslide
Wake up and watch your colours die
You've been set free
Stay a while
I'm waiting for the world to smile
I'm sorry if I made you cry
But we played for keeps

I'm scared of what I know
But I'm unbroken
Its easy losing hope
But don't let go
We need to live outside our own opinions
But we're getting closer now
We're getting closer now

And you had enough
This rain will make you give it up
Are you waging war against a love
You were born to lose
So tell me what you think of that
Lose your soul and you won't get it back
I'm still waiting for a heart attack
To send me back to you

I'm clinging to the ropes of my redemption
As I fit into the place of who we are
I'm terrified of losing my direction
You so impossible
Is love impossible

SINGING
OH OH OH OH OH
WE ALL NEED A MIRACLE NOW
OH OH OH OH OH
AND I CAN HEAR THE ANGELS CRY OUT
EVERYONE IS LOST
LOST
BUT WE ARE NEVER GONE
GONE
SINGING

OH OH OH OH OH

We locked ourselves inside a cage
With colours on the wall
And I took a step outside and realized
Thereâ€™s numbers on us all
And its getting clear to me that we donâ€™t see
Just who we are
could you carry on
could you carry on
could you carry on
could you carry on
could you carry on
Carry on
could you carry on
Carry on
could you carry on
Carry on
could you carry on
Carry on
could you carry on

SINGING

OH OH OH OH OH

WE ALL NEED A MIRACLE NOW

OH OH OH OH OH

AND I CAN HEAR THE ANGELS CRY OUT

EVERYONE IS LOST

LOST

BUT WE ARE NEVER GONE

GONE

SINGING

OH OH OH OH OH
