[verse1:]

your the one for me  
and i adore you,  
every step i take  
its like a brand new day  
your like a shining star  
at 12 o'clock  
in the middle of the night.

[chorus:]

there's a four letter word that a girl always dreams of  
wonderin if you could be the one for me  
ooh ooh  
there's a four letter word  
there's a four letter word  
there's a four letter word  
called LOVE

[verse2:]

L is for the way you look at me  
O is for the only one i see  
V is for the very complicated rides  
and E is for every time i see you ooh

[chorus:]

there's a four letter word that a girl always dreams of  
wonderin if you could be the one for me  
ooh ooh  
there's a four letter word  
there's a four letter word  
there's a four letter word  
called LOVE
