I'm ready to dive
where nothing's alive
but my own reality

I'm ready to fall
where nothing is all
where all is clear to me

I don't need you to deceive
the senses I rely upon
Don't incite me to betray my conscience
I will overcome

I'll make no compromise
You won't stop me... I will curse the bane
I'll face the worm that never dies
I will trample it and call the rain

I'll make no compromise
Roots of lies i'll eradicate
I'll make no compromise
Through silence i will peregrinate
I'm ready to dive
where nothing's alive
but my own reality

I'm ready to fall
where nothing is all
where all is clear to me

What i need is to bring everything
into oblivion
within me there is the only place
where i can see the sun

I'll make no compromise
You won't stop me... I will curse the bane
I'll face the worm that never dies
I will trample it and call the rain

I'll make no compromise
Roots of lies i'll eradicate
