"Come Alive"

I know you don't realise
That the way I feel is so new to me

Today I'm so happy
I love everybody

Your so ugly but I forgive you
In another life I'm sure you'll be so beautiuf

I know you don't realise
That the way I feel is so new to me
I know you don't realise
That the way I feel is so new to me

Today is forever
Free love in my body

Come alive
Come alive

I know you don't realise
That the way I feel is so new to me
I know you don't realise
That the way I feel is so new to me

Come alive come alive
Come alive come alive

I know you don't realise it
I know you don't realise it
I know you don't realise
That the way I feel is so new to me
