Hurt, oppressed  
Smashed into darkness  
Down, depressed  
You could not care less

Despite the strains  
Some hope remains

Pain repressed  
Suffering in silence  
Grudge progressed  
Craving for vengeance

Upheaval  
Driven by the nurture of grudge  
Nemesis  
The rise of revenge is on

Rising revenge  
Rising revenge

I have returned  
I'll leave no stone unturned

He who pays the piper calls the tune  
I pay since so long

He who pays the piper calls the tune  
So nothing is wrong

I'm calling revenge  
Because it's what i deserve

Rising revenge  
Rising revenge

Revenge up and coming  
Revenge up and coming  
Revenge up and coming  
Revenge up and coming

Revenge up and coming

Revenge up and coming  
Revenge up and coming  
Revenge up and coming

Upcoming  
loaded with drive  
Slowly forging  
Towards your fate

Revenge up and coming
