See the lies  
See the untruth  
See the fall of my dream

See the rain  
See the sadness  
See the distress i glean

Feel the anger  
Feel the grief  
Feel the rage in my heart

See all the ruins of fool's paradise  
Feel the rage in my heart

It got me raging  
It hurts so bad  
Raging  
I'm stark raving mad

I am just a man of ideals  
Intensely hooked to his dreams

Can i rely on reality?  
Do i need apostasy?  
Hear it... My soul screams

In my head, in my head  
my wishes survived by the strength of my will  
But i dread...  
some passion's tricks could turn 'em into nil

In my head, in my head

I envisage a realm i'd like to share  
My heart bled...  
so unless you show me you really care...

I will keep these dreams in my head

See the lies  
See the untruth

See the fall of my dream

See the rain  
See the sadness  
See the distress i glean

Maybe such an ordeal will serve  
to elevate my conscience  
But right now, my heart suffers from  
its inner burst of violence

...Raging  
It hurt so bad  
Raging  
I'm stark raving mad

In my head, in my head  
I envisage a realm i'd like to share  
My heart bled...  
so unless you show me you really care...

I will keep these dreams in my head
