Ruse of the snake
He bites again
Closing the light

Cain has reborn
Greed in the eyes
Man has to fight

Greed, ambition, vengeance
Vectors of avarice run through the years
Where's that divine garden
Just have another bite... what do you fear

Specters of yore, ready to rise
Vectors of time carry the lies
Specters of yore, ready to rise
Vectors of time carry the lies

Clever the apes
Learning the norms
Trained and restrained

Dive in the mess
Thorns in the flesh
Freedom estranged

Greed, ambition, vengeance
Vectors of avarice run through the years

Where's that divine garden
Just have another bite... what do you fear

*Chorus

Thousands of years, thousands of lies
Spread on the new millennium
Thousands of fears, thousands of cries
Bringing the throes of absurdum

Greed, ambition, vengeance
Vectors of avarice run through the years
Where's that divine garden

Just have another biteÂ...what do you fear

*Chorus

Thousands of years, thousands of lies
Spread on the new millennium
Thousands of fears, thousands of cries
Bringing the throes of absurdum
