Hold on now, got to take a deep breath  
I don't know what to say when I look in your eyes  
You made the world before I was born  
And here I am holding you in my arms tonight

Noel, Noel  
Jesus our Emmanuel

You're here, I'm holding you so near  
I'm staring into the face of my Savior  
King and Creator  
You could of left us on our own  
But you're here

I don't know how long I'm going to have you for  
But I'll be watching when you change the world  
Look at your hands, they're still so small  
Someday you're going  
To stretch them out and save us all

Noel, Noel  
God with us, Emmanuel

You're here, I'm holding you so near, oh, oh  
I'm staring into the face of my Savior  
King and Creator  
You could of left us on our own  
But you're here, you're here

Someday I'm going to look back on this  
The night that God became my baby boy  
Someday you're going to go home again  
But you'll leave your spirit  
And flood the world with joy

You'll be here, I'm holding you so near, oh, oh  
I'm staring into the face of my Savior  
King and Creator  
You could of left me on my own  
But you're here, You're here

Hallelujah, You're here  
Hallelujah, You're here
