(Verse)

I'm in heaven on solid ground
It makes my world spin round and round
I'm inside out, I'm upside down
Everytime I fall in love

(Verse)

I lose my keys and lose my cool
I never learn it's like I'm back in school
I end up breaking all my rules
Everytime I fall in love

(Chorus)

I've been here before
And I'll be here again
Can't help myself
There's no one else in this

(Verse)

I'm flying high with the birds and the bees
But then they get the best of me
How come it feels like it's meant to be
Everytime I fall in love

(Chorus)

I've been here before
And I'll be here again
Can't help myself
There's no one else in this

(Verse)

I'm by the phone waiting for his call
Best looking thing that you ever saw
All dressed up for the wrecking ball
Everytime I fall in love
Everytime I fall in love
