(Verse)

Ever since the day I was born
Something stirring in my soul
Feeling burning in my bones
When I hear that whistle blow

(Verse)

Got my ticket in my hand
Packed up everything I own
Chu-chugging full of steam ahead
Like a locomotive I'm blown

(Chorus)

'Cause it's a long ride
Travelling down these tracks alone
But I'll be alright
Got my guitar on my back
Rocking like a rolling stone
That's just the train I'm on

(Verse)

Everybody clap your hands
Everybody stomp your feet
Everybody get up and dance
Everybody come along with me

(Chorus)

'Cause it's a long ride
Travelling down these tracks alone
But I'll be alright
Got my guitar on my back
Rocking like a rolling stone
That's just the train I'm on

(Chorus)

'Cause it's a long ride
Travelling down these tracks alone
But I'll be alright
Got my guitar on my back
Rocking like a rolling stone
Rocking like a rolling stone

Rocking like a rolling stone
That's just the train I'm on

(Outro)
Ever since the day I was born
Something stirring in my soul
