I'm swinging our little ones hand  
I'm the push behind the swing  
I know everything we wanted  
what we strive for  
I wish you could be with me  
My hearts half dropped (?)  
My sadness flairs  
My inner is my power (?)  
My heart just stares

Trying to keep it together  
There's so many spaces to fill  
And when I'm overwhelmed with the world (?)  
A new friend...  
and when we have enough money  
\_\_ to make it through (??)  
Yeah, I'll make it through  
And for our child too (?)

Now I need to understand  
that I need to give up crying (?)  
I wanna blame it all on you  
its so easy to do  
(x2?)

I'm on my own  
I'm on my own  
I wanna be alone  
I wanna be alone

I'm swinging our little ones hand  
I'm the push behind the swing  
I know everything we wanted  
What we strive for  
I wish you could be with me  
My hearts half dropped (?)  
My sadness flairs  
My inner is my power (?)  
My heart just stares

Trying to keep it together  
Theres so many spaces to fill

And when I'm overwhelmed with work, a new friend (??)  
When we have enough money to buy food with (????)  
Don't flake our we're going to make it through (?????)  
Yeah, I'll make it through  
And for our child too (?)

Now I need to understand  
that I need to give up crying (?)  
I wanna blame it all on you  
but isn't that so easy to do (??)  
(x2)

I'm on my own  
I'm on my own  
I wanna be alone  
I wanna be alone

Not really, not really  
Not really  
This is the best I can do
