

Oblivion "Get Away"

Visit "[Get Away](#)" on MotoLyrics.com

i see people all around me
where am I
i see nothing but darkness
seeking kicks to feel good

i want to be free
don't wanna live a sick life
it feels like
someone's destroying my life

get away
get away
get away in jesus name
get away

i seek and try
to find freedom
the good I see and hear
there I find comfort

god most high
help me so
i can get peace
you're only one

jesus see me
i am nothing
where ever I turn
you are there
give me peace
give me strenght
give me blessing
give me holyspirit

you are God almighty father

jesus sees you
he will restore you
give you life
you never knew

you're seeking

want to have bread
do you want some
jesus in your life

god sees you
god lifts you
god redeems you
god wants you, he loves you, he needs you
