Alright all you poor people  
Youâ€™ve all been through hell  
This is your chance to get your  
To get your sweet revenge  
This is the actual moment  
Iâ€™ve waited thirteen years for

This is the actual moment  
Where the story ends

Alright all you poor people  
Youâ€™ve all been through hell  
This is your chance  
To pay back  
So pay back  
Donâ€™t let anybody in  
Donâ€™t let anybody in  
No

This is the time for us  
Heâ€™s afraid of us  
Considered what he does  
He fucking should because  
This is the time for us  
Heâ€™s afraid of us  
Considered what he does  
He fucking should because

I lived under the gun  
For thirteen years or more  
And itâ€™s all because of him  
I said enough is enough  
I wonâ€™t let anyone destroy this  
No one will destroy this  
No

Alright all you poor people  
Youâ€™ve all been through hell  
This is our chance  
To pay back  
Letâ€™s pay back  
Donâ€™t let anybody in

Don't let anybody in  
No

Put on your raincoat honey  
Things might get ugly in there  
This is the end of him  
This is the end

Don't let anybody in  
Don't let anybody in  
No no

This is the time for us  
He's afraid of us  
Considered what he does  
He fucking should because  
This is the time for us  
He's afraid of us  
Considered what he does  
He fucking should because

I lived under the gun  
For thirteen years or more  
And it's all because of him  
I said enough is enough  
I won't let anyone destroy this  
No one will destroy this  
No
