Everyman needs a companion  
Someone to turn his thoughts to  
I know I do

Everyman needs a companion  
Someone to console him  
Like I need you

John the baptist took Jesus Christ  
Down to the river on a Friday night  
They talked about Mary like a couple of boys  
With nothing to lose  
Too scared to try

Everyman needs a companion  
Someone to turn his thoughts to  
I know I do

Everyman needs a companion  
Someone to console him  
Like I need you

Joseph Campbell and The Rolling Stones  
Couldn't give me a myth  
So I had to write my own  
Like I'm hung up on religion  
Though I know it's a waste  
I never liked the name Joshua  
I got tired of J

Everyman needs a companion  
Someone to console him  
Like I need you
