I need adrenaline
I need love
The skin I'm in is breaking up
I need something to satisfy my lust before I start to cry
I need to feel the rush inside
Spaced-out, face-down, based-out, coming down
I take my highs where I can find them
I know the lows are right behind them

I want a 24 hour buzz
I want it 24 hours a day
I want a 24 hour buzz

Vanity ceiling coming down on me
Keeps me from drowning like a test tube baby
I want a 24 hour buzz

Crawling round on my knees
Caffeine-free and made to please
Candy knows what Candy chose
Henry's high as she hits overdose
Cracked up at what Charlie's done
Mandy's Benny's favourite fun
All good junkie's go to rehab
Counting sheep and screaming ab-dabs
I need something to satisfy my lust before I start to cry
I need to feel the rush inside
I find my passion where I must
'Cause we are all just...Oblivion Dust

I want a 24 hour buzz
I want it 24 hours a day
I want a 24 hour buzz

Vanity ceiling coming down on me
Keeps me from drowning like a test tube baby
Vanity ceiling coming down on me
Keeps me from drowning like a test tube baby

I want a 24 hour buzz
I want it 24 hours a day
I want a 24 hour buzz

I want it 24 hours a day
I want a 24 hour buzz
I want it 24 hours a day
I want a 24 hour buzz
I want it 24 hours a day
I need something to satisfy
I need something to satisfy
