Lights out girl I'm coming in
I can't talk but I can sing to you

So paralysed and moving
I can tell I'm falling behind

Come on
Are you ready now
Hey girl I'm coming in
Take back my everything now

Yeah yeah yeah
Yeah yeah yeah
I'm stuck here inside the wheel
Turning around turning around
Yeah yeah yeah
Yeah yeah yeah
I'm stuck here inside the wheel
Turning around turning around

I'll make me believe
I'll make me believe
I'll make me believe
I'll make me believe
I'll make me bleed
I'll make me bleed
I'll make me bleed
I'll make me bleed
What the fuck!
Are you ready now
Hey girl I'm coming in
Take back your everything now

Yeah yeah yeah
Yeah yeah yeah
I'm stuck here inside the wheel
Turning around turning around
Yeah yeah yeah
Yeah yeah Yeah
I'm stuck here inside the wheel
Turning around turning around

Are you ready now
Hey girl I'm coming in
Take back my everything now
Take take take take take
Are you ready now
Hey girl I'm coming in
Take take take take take
Take back my everything for you
