I know the secret girl in rhythm slow with
Placebo lull in her eyes
Placebo lull in her eyes
Hydro, her words appear in tiny bubbles
Placebo lull in her eyes
Placebo lull in her eyes

Alice didn't want it,
Said she couldn't take it and left yeah yeah
But I've been busy making antidotes to everything real
oh yeah

Daisy, did you come here to save me?
'Cause I can't recover
I can't recover
Daisy, did you come here to save me?
'Cause I can't recover
I can't recover

I know that I'm the only one that sees her
Placebo lull in her eyes
Placebo lull in her eyes
So long, I realize that I've been missing
Placebo lull in her eyes
Placebo lull in her eyes

Alice didn't want it,
Said she couldn't take it and left yeah yeah
This one that I'm making will send me even deeper

Daisy, did you come here to save me?
'Cause I can't recover
I can't recover
Daisy, did you come here to save me?
'Cause I can't recover
I can't recover
Daisy, did you come here to save me?
You never reply
You never reply

Don't know if I've been cursed or blessed

Don't know what sin I've not confessed
Just know that rabbit's got a hold of me
I don't ever need to be back in the form I used to be
Just want to keep the parts of me
Where I felt lover in me yeah

So I try...

Alice can you tell the rabbit not to take me away...
