My sin... keeps me tied to the world
My drug... gets me higher than love
My sex... my garden's never been pure
See God in everything that I do

If you can see
What I've been
What I've known
You'd understand
So watch and see
I'm gonna be
A ghost that bleeds
Forever and ever

Each time that I let it flow
Feel the life that I'm breaking down
A beautiful high, a beautiful home
Each time that I let it go
Feel the life that I'm wrecking now
A beautiful high, so chemical it glows

Had a heart inside 'til I went and used it up
Now nothing's there
What have you done, lover?

Each time that I let it flow
Feel the life that I'm breaking down
A beautiful high, a beautiful home
Each time that I let it go
Feel the life that I'm wrecking now
A beautiful high, so chemical it glows

It's all I'm ever gonna need
It's all I'm ever gonna be

I'll never let it go...
I'll never let it go...
I'll never let it go...
I won't let it go...
