Mother  
Wipe these tears from my eyes  
I think I'm lost  
Father  
Don't you recognize?  
I think that I'm home

I got helium love all around  
And I'm falling faster right through the ground  
Helium love's all around  
Gotta keep moving me over the line  
Till the day that I die

Start singing, breath taking  
Everything that you can see is sugar free  
I got Demarol lollipops  
You're invited to the back of my brain  
Smile pills, crazy thrills  
Think that I'm home

I got helium love all around  
And I'm falling faster right through the ground  
Helium love's all around  
Gotta keep moving me over the line  
Swear I'll keep trying

It's what I wanna be  
It's where I wanna be  
(But I keep using me)  
It's what I wanna be  
(But I'm abusing me)  
It's where I wanna be

It's what I wanna be...  
It's what I wanna be  
(But I keep using me)  
It's what I wanna be  
(But I'm abusing me)  
It's where I wanna be  
(But I keep using me)

Heal me...lalalalala... Heal me...
