I don't know why, but I let the echo live on
Just saved by the way I cover it up
It's the way you make me feel baby that
Makes me wonder why the clouds grow out my back
The rain will soak me 'til my bones dissolve
But I don't mind...

Wrapped in sentimental peel
You're the only one that means so much to me
Ordinary girl from an ordinary town
Breathe me like you always do
But that's why I call...

Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)
Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)
Instead you break the things that make me real
(Sit and wonder in my rainy field)
Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)

I don't know how, but my heart bleeds out in neon
Guess I'm swayed by the way you color me up
It's the way you make me feel baby that
Makes me wonder why the sun it burns in black
The rain will soak me 'til my bones dissolve
But I don't mind...

Wrapped in sentimental peel
You're the only one that means so much to me
Ordinary girl from an ordinary town
Breathe me like you always do
But that's why I call...

Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)
Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)
Instead you break the things that make me real
(Sit and wonder in my rainy field)

Is this the way you wanna make me feel?
(Sit and wonder in my rainy field)

Is there a day I'm ever gonna feel?...
