Radio to radio
With the midlight going down
You know you are

Radio to radio
Yeah
It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue
when they say
It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue
when they say

Radio to radio
Yeah
It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue
when they say
It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue

You're never living cause you're
Living in exile
Something changed and it's never been done before
You never listen cause you're living in exile
Something changed and it's never been done before

Radio to radio
Yeah
It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue
when they say

It doesn't really phaze me
It doesn't really break me
or complete me
Cause it's swollen and untrue
Oh how I love this feeling
All our songs came true
