Take my life, plug the hole  
See me wash away again  
I can see all the rides  
Enter them but I slide  
Shoot the bird out the sky  
Flapping wings out of life  
No more sight  
No more light  
No more sky  
No more fly for me

I can't hear me laughing anymore  
Never able to sleep  
Awful feelings force open my eyes  
I'm so impressed  
The way you keep on feeding me your love

See the nude that kills (see the nude that kills)  
Keep me confused (all torn and bruised)

Shaven thoughts my eyes speak  
Borrowed sins I try to keep  
Hidden in me so deep  
In places no one can see  
Said to me "Who are you?"  
I reply "I don't know"  
Stupid mess  
Stupid kiss  
Stupid shapes  
Stupid place to be

I can't hear me laughing anymore  
Never able to sleep  
Awful feelings force open my eyes  
I'm so impressed  
The way you keep on feeding me your love

See the nude that kills (see the nude that kills)  
Keep me confused (all torn and bruised)

I can see all the rides  
Enter them but I slide
