Lyrics/melodies: Ken Lloyd Music: K.A.Z

Satin skin that cover up the scars  
eyes that drip the ocean from the sky  
(Tell me what you are... Tell me what you are...)  
And you fill my mind with static wine  
As it trips, you make my spirit call for you  
(Tell me what you are... Tell me what you are...)  
As a sinner I've been cursed by tune  
When I call you I can breathe

If you'd only make me real like you  
If you'd only make me see where you have gone  
And I still have time before I die  
Only you can male me bloom  
With you inside... I'm on

Such a lonely killer  
And you were always guarded by the swans  
(Tell me what you are... Tell me what you are...)  
Light will only glimmer  
When you have called your fire flies through song  
(Tell me what you are... Tell me what you are...)  
As a sinner I've been cursed by tune  
When I call you I can breathe

If you'd only make me real like you  
If you'd only make me see where you have gone  
And I still have time before I die  
Only you can male me bloom  
With you inside... I'm on

If you'd only make me real like you  
If you'd only make me see where you have gone  
And I still have time before I die  
Only you can male me bloom  
With you inside... I'm on  
If you'd only make me real and true  
If you'd only make me see where you have been  
So fall into me now  
And let me feel you burn

If you'd only make me feel it too

Oh yeah

Want you in my life and flowing through me

But you fade away

But you fade away

When I try to feel you close
