Hello
Can you hear me
Calling
For your heart

I know
That your breathing
But I can tell
That you've got a broken heart

I see the sadness in your eyes
I feel the pain in your smile
The sorrow is breaking you down

Look deep inside your heart
For a spot
Glowing in the dark
That light of hope will be beaming

No
I won't let you go
I'm staying by
Your side I swear
I'll get you there
Together we can reach the stars
I swear you can fly
I swear you'll survive if you
Just take a stand
We'll run through this hand in hand

Stay strong
Keep faith
Be a light
Shining in the dark
Take a stand
Raise your hands
Put on a smile
It'll be gone

I see the sadness in your eyes
I feel the pain in your smile
The sorrow is breaking you down

Look deep inside your heart
For a spot
Glowing in the dark
That light of hope will be beaming

I see the sadness in your eyes
I feel the pain in your smile
The sorrow is breaking you down

Look deep inside your heart
For a spot
Glowing in the dark
That light of hope will be beaming
