(Verse):

I'm one of universal sets chain gang smurf murder
77 gun salute F's a 2 stripe general
You f*ckeroos gon' bang who???
Go head and front and get your nose broke snuffa
luffa kiss
I'm the big bird, you's the big herb and thats just it
Whatever you make in the hood I want in
Not 10 but 50 percent, thats word to willy ding
I flip whatever I cop, two times before n*ggas finish a
pack
Now that grind mode, fetti cash got a mean flow
Plus I sting like a bee, who said I don't
Bet I beat they face in like Ali
Now say my name chump catch a few lumps
Fetti cash is the champ you know I do this for my G's
I do this for my thugs popping heat, im on grind getting
no sleep
Bringing them G's back

(chorus 2x):

Ask around I'ma warrior
If you wondering how I'm victorious
On my last lap for the victory
It ain't hard to tell this is meant for me

(Verse 2):

Sooner or later my patience gonna run out empty
I f*ck around and poke something man you know I get
busy
Monkey wrench to your brain b*tch go head and temp
me
I got the strength of 3 hunnit men the force is in me
Play the low when I'm trippy, I get high off the sticky
This is the flow of the century, who f*cking with me
You gon' take a big lost if you going against me
I run laps around you n*ggas and this here is the
victory
You won't find another sound, mainstream or
underground
F*ckin with this style (oowww) if you want I'll dumb it
down

Its the bandit, F cash I run the town
I'm looney I'll murder something with a open trial
Catch you in the streets bring it right to your bumper
Hit the road for what, mother f*cker I ain't no runner
Get yo a** tow up if you thing I'm a come up
I tell you one thing, this gon' be one hell of a summer
f*ckers

(chorus 2x)

(bridge 4x):

This meant for me
