Melt Down

(This message here
will self destruct
after this lyrical content)

(chorus 2x):

When you look in my eyes
You can see that I'm real
When you hear how I speak
Then you know whats the deal
I be "C" walking in a Blood Hood
"B" walking in a Cuz Hood

(Verse):

Stop hummer stunting yall don't really wanna take it
there
Nah my n*gga better yet bring sh*t here
Them gats will clap for you fake a** n*ggas
F will end your career if you touch him chips
Cause I work hard for you want
Cause I do what I do thats why I walk the way I walk
And I talk the way talk, so f*ck you
Middle finger up to you and your crew
You don't like what I said you feeling smurfy then jump
Lets get it crunk, watch how I beat yo head in like a
drum
Don't get yo face num you tweetly dum F stay worrying
some
They see me on my arab-ee sh*t so they think I'm mad
as sh*t
Cause I'm quick to burry some, yeah I heard the word
That these dudes wanna merk me and I should be
scared nahhhh
Yall should beware, watch your neck don't play with
death
Cause your destination is final and thats just that
f*ckers

(chorus 2x)

(Verse 2):

It's like the streets is stressing me, god is testing me

Every little step I take to get the papes
Is like another obstacle to pass, I thought I cut all the
Snakes in grass me F cash
One of the wickest out of the south bronx, I'm real
serious
I flow heavy like them b*tches periods
Me fetti is so mysterious I got'em all curious haters
furious
Cause its been over due since they heard something
universal
F is reversible I can even spit it backwards at you
Hit you in your adams apple yeah yall know that its
been over due
Since they heard something universal F be spitting
reversible verses
Got n*ggas furious real curious like, is he serious
I'm mysterious not even you and sherlock holmes can
figure me out (owww)

(Chorus 4x)
