Making movings trying to step away
You've found a passion where you have to pay
Working hard gathering some money
To get someone who needs you and who calls you
honey

But you're feeling like a picture on the wall
Catching eyes but noone cares at all

Check it out
Check it out
Check it out

Buying clothes starting yourself up
You're looking like a running challenge cup
Raising voices pointing at your being
Hoping that there's one who's responsible for seeing

But you're feeling like a pinup on the wall
Always staying fixed until you fall

Check it out
Check it out
Check it out

Fighting rough never get enough
Be a winner even you get thinner
Struggling round biting like a hound
Maybe you reach the top but what's it what you've
found?

That you are always like a picture on the wall
hanging in the world for noone's call?

Check it out
Check it out
Check it out
