"Hold Me Tight"

I'm spreading some tears when I'm searching some
years for a personal hero for me
They dropped from my eyes when I'm in big disguise
cause there's noone around to see
And I can't find an arm that extinguishes the harm and
shows me a better way the other day

I'm teasing some skin to find out what is in but there is
no reaction at all
Maybe I'm too cool or maybe I'm a fool or maybe I'm
just too tall
Cause I search for a heart to take me apart and find me
a better way an other day

Hold me tight
Hold me tight

Never regretting that I had much petting I found myself
suddenly dead.
I was so amazed that I lie there erazed numb and stiff
beneath my cat.
And I really don't see why it happened to me. Wasn't
there a better way an other day?

Hold me tight
Hold me tight

Hold me tight
Hold me tight
Hold me tight
Hold me tight
