"If You Need Someone"

If you need someone
to hold you
when you are afraid
I'll hold you

If you need someone
to make you
happy when you're sad
I'll try to

If you need someone
to tell you
everything
is gonna be all right
I can do that
I can do that

If you need someone
to make you
feel safer than safe
I'll try to

If you need someone
to comfort you
when tears fall down your face
I'll do what I can

If you need someone
to make you
feel any danger
is far away
I'll do what
I can
I can

If you need someone
to tell you
everything
is gonna be allright
I can do that
I can do that
I can
