Without beforehand thinking
sometimes I say things
I could never hate you
I could never hate you

I do not mean one
word of what I say
I don't hate you
I don't, I do not

Let's kiss and make up
let's kiss and make up
Let's you and I
kiss and make up
Let's kiss and make up
let's kiss and make up
Let's you and I
kiss and make up

Without beforehand thinking
sometimes I say things
I could never hate you
I could never hate you

I do not mean one
word of what I say
I don't hate you
I love you

Let's kiss and make up
let's kiss and make up
Let's you and I
kiss and make up
Let's kiss and make up
let's kiss and make up
Let's you and I
kiss and make up

Let's kiss and make up
let's kiss and make up
Let's you and I

kiss and make up
Let's kiss and make up
let's kiss and make up
Let's you and I
kiss and make up
