I don't ever want to be
I'll never ever be
Like some awful men
Like some awful men around me, I see

Some still don't, if ever, are
Affectionate intending
Some don't, if ever, do
Display a gently side, one which is Gentle

And some don't know there's a Difference
Between a woman and a slave
Some men are such fools
Some men are such fools

From car windows some shout
Whistle
Call out
To and at women
I think what the hell is wrong with them

To other men some say
I show her who's boss
They see nothing wrong
Nothing wrong with what
They are saying

And some don't know there's a Difference
Between a woman and a slave
Some men are such fools
Some men are such fools

They make me so ashamed
Ashamed of being male
Ashamed of my gender
They make me ashamed of my gender

And some don't know there's a Difference
Between a woman and a slave
Some men are such fools
Some men are such fools
