I said to you I'd always
Want you and want you only
Now there's another that I
That I want and I want only
I miss this other more than
More than I used to miss you
I'm sorry if my being
My being honest hurts you.

Don't you
Go thinking
I never did
Love you.
Don't you
Go thinking
Such a thing
Such a thing.

I'm sorry there've been times I've
Hardly said two words to you
I do not think that you see
That for the last time we do.

Don't you
Go thinking
I never did
Love you.
Don't you
Go thinking
Such a thing
Such a thing.

I told you things that are not
That turned out to be untrue
When I said them I meant them.
When I said them I meant them.
There are so many moments
From when we were together
That I, that I do treasure.
That I, that I do treasure.

Don't you
Go thinking
I never did
Love you.
Don't you
Go thinking
Such a thing
Such a thing.
