Remember when you and me were just two sprouts,  
Thinking we could boss around the world  
Rascal was your middle name,  
And you were never good at learning how to learn  
But now weâ€™ve graduated from prison,  
Start a fight with the big city  
Hand it over to the next generation,  
To try to make a fool out of me  
You should shut your mouth,  
You donâ€™t know what youâ€™re talking about,  
Once upon a time we was like you  
It wonâ€™t be like this for long,  
You gonna turn into one someday  
Outside the window it looks like a zoo,  
The penguin police are waving at you  
Thereâ€™s a dwarf and heâ€™s smoking a pipe,  
Theyâ€™re all egging you to come outside  
But now weâ€™ve graduated from prison,  
Start a fight with the big city  
Hand it over to the next generation,  
To try to make monkey out of me
