Bailey Jay

You're the bomb

I wanna take you home to my mom

Watching movies with cheesy fries

I always cry when Bambi's mother dies

Bailey Jay

You're the best

You got somethin' more than all the rest

I wanna take you out to meet my friends

We'll show 'em our love never ends

I've been around the block a time or two

But I've never met a girl that was quite like you

You're the only one to make me feel this way

I love you Bailey Jay

I've been around the world and seen some things

But you're the only pretty girl that makes me sing

And now I know I'll never be the same

I love you

Bailey Jay

You're a star

And I think it's cute you know ya are

You're the sweetest and I must concede

You got everything a boy could ever need

Bailey Jay

You're the girl

I wanna take around the whole damn world

I wanna give you all the best in life

I wanna make you my beautiful wife

I've been around the block a time or two

But I've never met a girl that was quite like you

You're the only one to make me feel this way

I love you Bailey Jay

I've been around the world and seen some things

But you're the only pretty girl that makes me sing

And now I know I'll never be the same

I love you

Bailey Jay and me

K-i-s-s-i-n-g

You're the only one for me
Bailey Jay
Bailey Jay and me
Sittin' high up in a tree
Holdin' hands for all to see
You're the only one for me
Bailey Jay
