So what? You're a werewolf  
I'm a werewolf too  
In my heart; now we're two  
Just imagine what we'll do  
I've got my fursuit and it's ready  
I've had it pressed and starched  
And I feel you, you're so fuzzy  
Deep inside my heart

Cuz there's a furry in your heart  
You gotta yiff like crazy  
You gotta yiff like crazy

I'm so glad that I found you  
Just like a little stray  
You're so cute, like a puppy  
And I'm hoping that you'll stay  
Are you dreaming? About me?  
You're drooling on my bed  
Are you tired? You been runnin'  
All throughout my head

Cuz there's a furry in your heart  
You gotta yiff like crazy  
You gotta yiff like crazy

Cuz there's a furry in your heart  
And you're yiffin' like crazy  
But don't you worry  
Cuz you're my honey  
Badger my baby  
You're so crazy  
And you're my fuzzy love

Yiff!
